

The issue is LPFM's and the proposed expansion of this service to take priority over current FM translator services. If this happens, stations like K-LOVE would be forced off the air. K-LOVE serves me and the local community in ways that can hardly be described in a few words. Suffice it to say that K-LOVE provides positive and encouraging music and ministry to all that tune in. Many people are enriched emotionally, psychologically, and spiritually by K-LOVE and stations like it, not to mention the pure enjoyment they bring. If we lose stations like K-LOVE, it will be felt across the community in very ways described above. Thanks for listening.
